Eb **Bb**
In December drinking horchata
G# **Bb**
I d look psychotic in a balaclava
G# **Bb**
Winter s cold is too much to handle
G# **Bb**
Pincher crabs that pinch at your sandals

Eb **C#9**
(Whoaaaaa ooooh)

Eb **Bb**
In December drinking horchata
G# **Bb**
Look down your glasses at that aranciata
G# **Bb**
With lips and teeth to ask how my day went
G# **Bb**
Boots and fists to pound on the pavement
Eb **C#9**
Here comes a feeling you thought you d forgotten
G# **Bb**
Chairs to sit and sidewalks to walk on

Eb **C#9**
(Whoaaaaaa ooooh)

Eb **Bb**

G# **Bb**
Winter s cold is too much to handle
G# **Bb**
Pincher crabs that pinch at your sandals

Years go by and hearts start to harden
G# **Bb**
Those palms and firs that grew in your garden
G# **Bb**
Are falling down and nearing the rose beds
G# **Bb**
The roots are shooting up through the tool shed
G# **Bb**
Those lips and teeth that asked how my day went
G# **Bb**
Are shouting up through cracks in the pavement

Eb **C#9**
Here comes a feeling you thought you d forgotten

Chairs to sit and sidewalks to walk on

Oh you had it but oh no you lost it
G# **Bb**
You understood so you shouldn t have fought it
