I d look psychotic in a balaclava  
**A** **B**  
Winter s cold is too much to handle  
**A** **B**  
Pincher crabs that pinch at your sandals

**E** **B**  
In December drinking horchata  
**A** **B**  
Look down your glasses at that aranciata  
**A** **B**  
With lips and teeth to ask how my day went  
**A** **B**  
Boots and fists to pound on the pavement  
**E** **D9**  
Here comes a feeling you thought you d forgotten  
**A** **B**  
Chairs to sit and sidewalks to walk on

**E** **D9**  
(Whoaaaaaa ooooh)

**E** **B**  
You d remember drinkin horchata  
**A** **B**  
You d still enjoy it with your foot on masada  
**A** **B**  
Winter s cold is too much to handle  
**A** **B**  
Pincher crabs that pinch at your sandals  
**E** **D9**  
Here comes a feeling you thought you d forgotten  
**A** **B**  
Chairs to sit and sidewalks to walk on

 Those palms and firs that grew in your garden

 Are falling down and nearing the rose beds

 The roots are shooting up through the tool shed

 Those lips and teeth that asked how my day went

 Are shouting up through cracks in the pavement
