

Mansard Roof
Vampire Weekend

F#

I see a mansard roof through the trees,

F# **G#m**

I see a salty message written in the eves,

C#

The ground beneath my feet

F# **Ebm**

The hot garbage and concrete,

G#m

And now the tops of buildings

C# **F#**

I can see them too!

The argentines collapse in defeat,

The admiralty surveys the remnants of the fleet,

C#

The ground beneath their feet

F# **Ebm**

Is a nautically map sheet

G#m

As thin as paper

C# **F#**

While it slips away from you.
