

Mansard Roof  
Vampire Weekend

**Eb**

I see a mansard roof through the trees,

**Eb** **Fm**

I see a salty message written in the eves,

**Bb**

The ground beneath my feet

**Eb** **Cm**

The hot garbage and concrete,

**Fm**

And now the tops of buildings

**Bb** **Eb**

I can see them too!

The ground beneath their feet

Is a nautically map sheet

**Fm**

As thin as paper

**Bb** **Eb**

While it slips away from you.
