

**Mansard Roof**  
**Vampire Weekend**

**E**  
I see a mansard roof through the trees,  
**E** **F#m**  
I see a salty message written in the eves,  
**B**  
The ground beneath my feet  
**E** **C#m**  
The hot garbage and concrete,  
**F#m**  
And now the tops of buildings  
**B** **E**  
I can see them too!

**E**  
The argentines collapse in defeat,  
**E** **F#m**  
The admiralty surveys the remnants of the fleet,  
**B**  
The ground beneath their feet  
**E** **C#m**  
Is a nautically map sheet  
**F#m**  
As thin as paper  
**B** **E**  
While it slips away from you.
