

Mansard Roof
Vampire Weekend

G

I see a mansard roof through the trees,

G **Am**

I see a salty message written in the eves,

D

The ground beneath my feet

G **Em**

The hot garbage and concrete,

Am

And now the tops of buildings

D **G**

I can see them too!

The argentine collapse in defeat,

The admiralty surveys the remnants of the fleet,

The ground beneath their feet

G **Em**

Is a nautically map sheet

Am

As thin as paper

D **G**

While it slips away from you.
