Obvious Bicycle
Vampire Weekend

[Verse 1]
```
G#                                                    C#          G#
Morningâ€™s come, you ve watched the red sun rise
G#                                      C#          G#
The LED still flickers in your eyes
                             Eb
Oh you ought to spare your face the razor
           C#                                                G#      C#
G#
Because no oneâ€™s gonna spare their time for you
G#                                      C#      G#
No oneâ€™s gonna watch you as you go
           G#                                  C#          G#
From a house you didnâ€™t build and canâ€™t control
                             Eb
Oh you ought to spare your face the razor
           C#                                                  G#      C#
   G#
Because no oneâ€™s gonna spare their time for you
                             Eb
You ought to spare the world your labor
             C#                                                G#      C#
G#
Itâ€™s been twenty years and no oneâ€™s told the truth
```

[Hook x2]
```
G#              C#    G#
So listen, oh
G#              C#    G#
So listen, oh
         Eb      C#
Donâ€™t wait
G#              C#    G#
Donâ€™t wait
```

[Verse 2]
So keep that list of who to thank in mind
And donâ€™t forget the rich ones who were kind
Oh you ought to spare your face the razor
Because no oneâ€™s gonna spare their time for you
Why donâ€™t you spare their world a traitor
Take your wager back and leave before you lose

[Hook]

[Bridge]
C#   **Eb**
So while the sun’s coming out
          G#   **C#**
Cover ground, cover ground
C#   **Eb**
And if you find some love for these clowns
G#   **C#**
Turn around, turn around
C#   **Eb**
I’ll be half asleep on the floor of a high school gym
G#   **C#**
Thinking of you and wondering if anyone else could begin

[Pre-Hook]
To listen
Listen
Don’t wait
Don’t wait

[Hook]
