

Ottoman  
Vampire Weekend

Since the first version isn't complete I figured I'd make one.

Enjoy

Intro: **G Am F C** 4x

**G Am F C**  
Ottoman couch, how handsome your furniture  
Lovelier now, but dressed for a funeral  
Begging you to sit for a portrait on the wall  
To hang in the dark of some parliamentary hall

**G Am F C**  
Elegant clothes, you want to be seen with her  
Under your tweeds you sweat like a teenager  
Begging you to sit for a portrait on the wall  
To hang in the dark of some parliamentary hall

**G C F G**  
Today is for you  
**C F**  
They laid it out for you  
**G**  
For you  
**C F G**  
There will be six bells a-ringing and white women singing for you  
**C F G**  
But this feels so unnatural to Peter Gabriel, too

**G Am F C**  
All of the cards and all of the time it took  
Soon it's all lines of red in a leather book  
Begging you to wait for a minute by the door  
Your creeping feet where they've never been before

**G C F G**  
Today is for you  
**C F**  
They laid it out for you  
**G**  
For you
