Ancestors told me that their girl was better

She s richer than Croesus, she s tougher than leather

Stale conversation deserves but a bread knife
A **Ama j7**
And punks who would laugh when they saw us together
F#m **E**
Well they didn t know how to dress for the weather
D **A**
I can still see them there huddled on Astor
D **E**
Snow falling slow to the sound of the Master

[Chorus]

A **Ama j7** **F#m**
The gloves are off, the wisdom teeth are out

You cursed the sun when it stepped to your girl
A **Ama j7**

Maybe she's gone and I can't resurrect her

The truth is she doesn't need me to protect her
