

**The Kids Dont Stand a Chance**  
**Vampire Weekend**

**C**                    **Dm**        **F**  
A devastating backstroke  
**F**            **G**            **C**  
All the way from France  
**C**                    **Dm**        **F**  
With shiny, shiny cufflinks  
**F**                    **G**                    **C**  
A shirtsleeve to enhance

**C**                                    **Dm**            **F**  
The pin-striped men of morning  
**F**                    **G**            **C**  
Are coming for to dance  
**C**                    **Dm**                    **F**  
With pure Egyptian Cotton  
**F**                    **G**                    **C**  
The kids don t stand a chance

**C**                    **Dm**        **F**  
You criticize the practice  
**F**            **G**            **C**  
By murdering their plants  
**C**                    **Dm**        **F**  
Ignoring all the history  
**F**            **G**            **C**  
Denying them romance

**C**                    **Dm**        **F**  
The pin-striped men of morning  
**F**            **G**            **C**  
Are coming for to dance  
**C**                    **Dm**        **F**  
Forty-million dollars  
**F**            **G**            **C**  
The kids don t stand a chance

(Solo)

**C**                    **Dm**        **F**  
I didn t like the business,  
**F**            **G**            **C**  
But that was at first glance  
**C**                    **Dm**        **F**  
Your pillow feels so soft now  
**F**            **G**            **C**  
But still you must advance

**C**                    **Dm**       **F**  
The pin-striped men of morning  
**F**                **G**                **C**  
The partners in the dance  
**C**                    **Dm**       **F**  
The paper s shot to pieces  
**F**                **G**                **C**  
The kids don t stand a chance
