

The Kids Dont Stand a Chance  
Vampire Weekend

**C#**                    **Ebm**        **F#**  
A devastating backstroke  
**F#**                **G#**                **C#**  
All the way from France  
**C#**                    **Ebm**        **F#**  
With shiny, shiny cufflinks  
**F#**                **G#**                                **C#**  
A shirtsleeve to enhance

**C#**                                **Ebm**                **F#**  
The pin-striped men of morning  
**F#**                                **G#**                **C#**  
Are coming for to dance  
**C#**                    **Ebm**                                **F#**  
With pure Egyptian Cotton  
**F#**                **G#**                                **C#**  
The kids don t stand a chance

**C#**                    **Ebm**        **F#**  
You criticize the practice  
**F#**                **G#**                **C#**  
By murdering their plants  
**C#**                    **Ebm**        **F#**  
Ignoring all the history  
**F#**                **G#**                **C#**  
Denying them romance

**C#**                    **Ebm**        **F#**  
The pin-striped men of morning  
**F#**                **G#**                **C#**  
Are coming for to dance  
**C#**                    **Ebm**        **F#**  
Forty-million dollars  
**F#**                **G#**                **C#**  
The kids don t stand a chance

(Solo)

**C#**                    **Ebm**        **F#**  
I didn t like the business,  
**F#**                **G#**                **C#**  
But that was at first glance  
**C#**                    **Ebm**        **F#**  
Your pillow feels so soft now  
**F#**                **G#**                **C#**  
But still you must advance

**C#**                **Ebm**     **F#**  
The pin-striped men of morning

**F#**                **G#**                **C#**  
The partners in the dance

**C#**                **Ebm**     **F#**  
The paper s shot to pieces

**F#**                **G#**                **C#**  
The kids don t stand a chance
