On the 6th of June

On the shores of western Europe 1944

Bm A E

D-day upon us

We ve been here before

Used to this kind of war

Crossfire grind through the sand

Our orders were easy

It s kill or be killed

Blood on both sides will be spilled

In the dawn they will pay

With their lives as the price

History s written today

Now that we are at war

With the axis again

This time we know what will come
