From the movie, Brave Little Toaster

**D#m E F#m A**

**G# A G# F#**

**B - C# - E - F# -**  
Life is like a journey on a road that s within  
**B - C# - E - F# -**  
Head says you should stay, but your heart says to begin  
**G#**  
So you go

**F# - B**  
But you don t wanna go

**B - C# - E - F# -**  
Any life worth living isn t life just filled with ease  
**B - C# - E - F# -**  
You just stay forgiving through the forest and the trees  
**G#**  
And you ll go

**F# - B**  
Just where you wanna go

**G - A - B - - C**  
Time flies by in the city of light  
**G - A - B - - G**  
Time stands still in the country  
**G - A - B - - C**  
There s no time for a fuss and a fight  
**G - A - B**  
As we travel the land

**E - D - D# - E -**  
And I d be satisfied just to be not denied  
**G**  
To reside with some pride

**C**  
While I ride

**G**  
To the city, the city of light!

**E - F# - A - B**

B - C# - E - F# -

Light shines like a diamond in the city at night

B - C# - E - F# -

When that diamond shines you know that everything s all right

G#

But you know

F# - B

We got a way to go

B - C# - E - F# -

Let us meet the master, we don t wanna make him wait

B - C# - E - F# -

You just keep a-knockin He will open up the gate

G#

To that city of light

F# - B--A--G#--F#

G A - B -

Master is a man with a plan I can understand

G - A - B - G -

Master is a man of great reflection

G A - B -

Master is a man who lays his hand across the land

G - A - B

Master is the man of our affection

G - A - B - - C

Time flies by in the city of light

G - A - B - - G

Time stands still in the country

G - A - B - - C

There s no time for a fuss and a fight

G - A - B

As we travel the land

E - D - D# - E -

And I d be satisfied just to be not denied

G

To reside with some pride

C

While I ride

G

To the city, the city of light!
