From the movie, Brave Little Toaster

F# E

Since you came here uninvited
We all knew you d be delighted
This is not the time or place to hedge
No one here would be so bold to
But since you asked and no one s told you
Let us take you to the cutting edge

F#
I can process words, accounting too
And my pixel screen displays for you
Computer graphics locked into your memory
B
With fiber optics cast in plastic
For natural sights and sounds fantastic
C#
Just reach out and talk to your dear old Uncle Emery

F# - **A** - **B**
More! More! More!
Everything you wanted and more
F# -- G# -- A - G# -- A -- B -
F# -- A -- B -
More! More! More!

B
Let me tell you what it s for
C#
Here s the printout with the score

Get yourself together on the edge

D G--D

       -              A   - D - A   - D   -
You want to go to old Rio De Janiero, my dear
                        A - D - A   - F -
You want to join in any Club Paradise
                              C   - **F**   - **C**   -

You d really rather stay at home where the picture is clear
F   -   **C**   -   **F#**   -   **C#**   -
You get it on the stereo and you don t even have to go

F# - **A** - **B**
More! More! More!
Everything you wanted and more
F# -- G# -- A - G# -- A -- B -
F# -- A -- B -
More! More! More!

B
Any time or place you wish
C#
You might meet up with some dish
D   -   **E**   -   **F#**
Pull yourself together on the edge

F#
If you want a lean machine to whip you up some mean cuisine
I m on the scene totally automatic
B
Hey, I can bake your biscuits too
Pop some dough boy out for you
C#
I m micro solid-state and that s no static

F# - **A** - **B**
More! More! More!
Everything you wanted and more
F# -- G# -- A - G# -- A -- B -
F# -- A -- B -
More! More! More!

B
We re the bytes and chips to call
C#
You just have yourself a ball
D   -   **E**   -   **F#**
It s all hyperactive on the edge

From LEDs to CRTs
Woofers, tweeters, antenna trees
An ultra-nylon life of ease
D   -   **E**   -   **F#**
Everything you dreamed of on the edge
And more
