AND THE CRADLE WILL ROCK...
Tabbed by:Carl Gustafsson to *

Here s some tab for =VH= s and the cradle will rock.I know it was originally played on a Wulitzer electric piano, but what the hell, it sounded like a guitar and sounds great live.

If anyone happens to have any WACF or FW shows, please leave me some email, we ll trade some stuff.

Latah.Ed s moving the pick along the low E string, sliding it up and down (something

like: x x x x x x x/ x/ x/ x/ x/ x/ x/) with an MXR flanger pedal at the beginning.
