Verso 1

```
        G#                                    Fm
    there s a time and place for everything, for everyone
```

```
        C#                      Eb
     we can push with all our might
                G#                              Fm
     but nothin s gonna come, oh no, nothin s gonna change
           C#                Eb
     and if i asked you not to try
                             Fm
     oh could you let it be

Pre-chorus 1:
             C#                          Bbm
     i wanna hold you and say, we can t throw this all away
                 F#                          Eb
     tell me you won t go, you won t go, do you have to hear me say

Refrão:
                 G#                             Fm
     i can t stop lovin  you, and no matter what i say or do
                 C#              Eb              G#
     you know my heart is true, oh, i can t stop lovin  you

Verso 2:
           G#                                          Fm
     you can change your friends, your place in life, you can change your mind
           C#                    Eb          G#
     we can change the things we say and do anytime
                 Fm
     oh no, but i think you ll find
                   C#                Eb
     that when you look inside your heart

Pre-chorus 2:
                     Bbm
     oh baby, i ll be there, yeah
     B           G#m
     hold on, i m holding on
                 E                          Eb
     baby, just come on, come on, come on, i just wanna hear you say

Refrão:
                 G#                             Fm
```

```
         i can t stop lovin  you, and no matter what i say or do
                    C#                Eb                G#
      you know my heart is true, oh, i can t stop lovin  you

Bridge:
               Bbm                      Eb       C      G#
     oh, i m so twisted and tied, and all i remember
          Bbm                            Eb
     was how hard we tried, only to surrender

Interlude and Solo:
