Verse 1-

Am                                    F    G                                    Am  
World turns black and white, pictures in an empty room.  
F                                    G                                    Am  
Your love starts fallin down, better change your tune.  
F                                    G    Am  
Yeah, you reach for the golden ring, reach of the sky.  
F                                    G  
Baby just spread your wings, and get...

Chorus-

C                                    Am7                                    Em7                                    F  
Higher and higher, Higher and higher, straight up we ll climb.  
C                                    Am7                                    Em7                                    F  
We ll get higher and higher, higher and higher, leave it all behind.

Verse 2-

Run, run, run away, like a train runnin off the track.  
Got the truth bein left behind, fall between the cracks.  
Standin on broken dreams, never losing sight.  
Ah! Well, just spread your wings. We ll get...

\*Chorus\*

Bridge-

Em7                    F  
So baby, dry your eyes,  
Am7                                    G  
save all the tears you ve cried.  
F                    C                    G  
Oh, that s what dreams are made of.  
Em7    F                    Am7                                    G

Cause we belong in a world that must be strong.

F C G

Wo, that s what dreams are made of.

(Instrumental solo ad. lib)

Yeah, we ll get...

\*Chorus\*

(Instrumental)

Em F Am7 G

And in the end on dreams we will depend.

F Am7 Bb Am7 Bb F C/G

Cause that s what love is made of.
