Here s basically the whole tune, I ommited a couple parts that were hard to notate, so just improv something. :)

Any questions or comments, just email * & Verses

3x

```

The Choruses are something like the into:

```

You know that you want it....          etc...
-----          -----          -----          -----
-----          ---3---          ---5---          ---3---          -----
-2--          ---2---          ---4---          ---2---          -2--
-2--          ---4---          ---6---          ---4---          -2--
-0--          ---0---          ---0---          ---0---          -0--
-----          -----          -----          -----

```

Then there s that break thing with this awesome run...

B B B B D D D D

```

-----
-----
-----H-H-----H-H-----H-H-----H-H-----3--5-5--7-7--

```

--H-H--1-3-5-----H-H--3-5-7-----H-H--5-6-8--H-H--6-8-10--3--5-5--7-7--
-1-3-5-----3--3-5-7-----5--5-6-8-----6-8-10-----1--3-3--5-5--

Then the outro rythmn goes something like this: (palm muted)

-----|
---H-P--O---H-----H-P-----H-H-----|
---O-2-O---O-2-3-----O-2-O-3~---O-2-3---|
-2-----2-----2--2-----2-----2---|
