

Everybody Wants Some
Van Halen

the tablatures are pretty accurate, be gentle its my first tabbing.

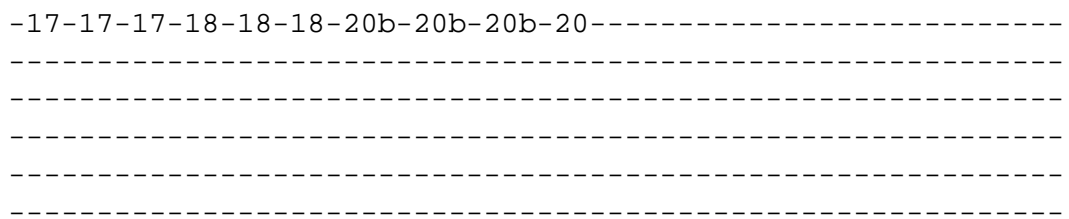

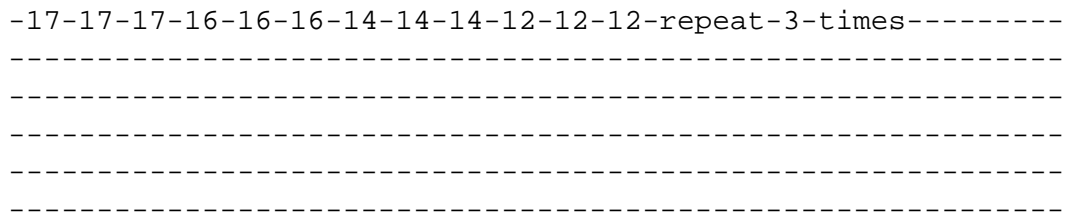

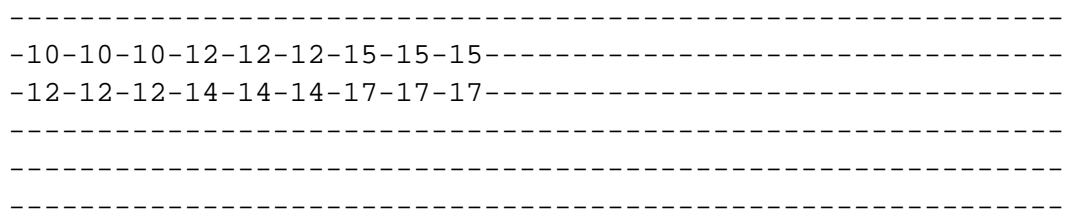

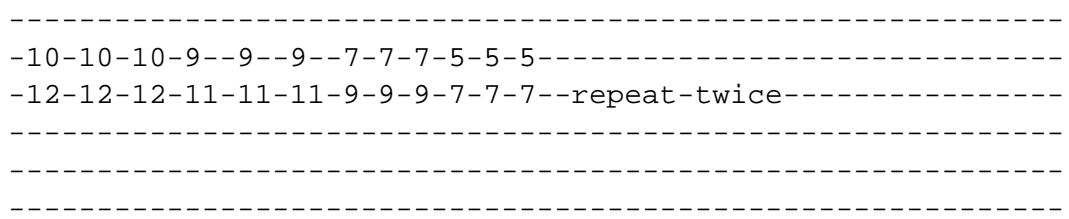

Intro

-put you palm on bridge on this string and rub it down and up constantly-

solo

end of solo

=====

the part when dave talks and edd plays the guitar after each senteces that he
does , and
hear the intro drums in background

-----|
-2-2-2----5-5-5-----|
-2-2-2----5-5-5-----|
-0-0-0----3-3-3--reapeat this through the part near end of -----|

then go back to main riff
