

When Its Love
Van Halen

Introdução: (D A D G) (G) 4x (strings teclado)

(D C D) (D E E D) (C D) (C) (guitarra e baixo)

Hey!

Everybody's lookin' for somethin'
Somethin' to fill in the holes
We think a lot but don't talk much about it
'Til things get out of control

Chorus: (D A Bm G A)

How do I know when it's love
I can't tell you but it lasts forever
How does it feel when it's love
It's just something you feel together
When it's love

(D C D) (D E E D) (C D) (C)

You look at every face in a crowd
Some shine and some keep you guessin'
Waiting for someone to come into focus
Teach you your final love lesson

(D A Bm G A)

How do I know when it's love
I can't tell you but it lasts forever
How does it feel when it's love
It's just something you feel together

(F G)

Oh oh oh oh
Oh when it's love
Oh oh oh oh
You can feel it, yeah
Oh oh oh oh
Nothing's missing (A)
Yeah
(Solo sobre a harmônia da introdução)

(F G)

Oh oh oh oh
Oh when it's love
Oh oh oh oh
You can feel it, yeah
Oh oh oh oh
Nothing's missing (A)
Yeah

(Solo)

How do I know when it's love
I can't tell you but it lasts forever
How does it feel when it's love
It's just something you feel together
How do I know when it's love
I can't tell you but it lasts forever
When it's love
