

**When It's Love**  
**Van Halen**

Introdução: ( **C# G# C# F#** ) ( **F#** ) 4x (strings teclado)

( **C# B C#** ) ( **C# Eb Eb C#** ) ( **B C#** ) ( **B** ) (guitarra e baixo)  
Hey!

Everybody's lookin' for somethin'  
Somethin' to fill in the holes  
We think a lot but don't talk much about it  
'Til things get out of control

Chorus: ( **C# G# Bbm F# G#** )  
How do I know when it's love  
I can't tell you but it lasts forever  
How does it feel when it's love  
It's just something you feel together  
When it's love

( **C# B C#** ) ( **C# Eb Eb C#** ) ( **B C#** ) ( **B** )  
You look at every face in a crowd  
Some shine and some keep you guessin'  
Waiting for someone to come into focus  
Teach you your final love lesson

( **C# G# Bbm F# G#** )  
How do I know when it's love  
I can't tell you but it lasts forever  
How does it feel when it's love  
It's just something you feel together

( **E F#** )  
Oh oh oh oh  
Oh when it's love  
Oh oh oh oh  
You can feel it, yeah  
Oh oh oh oh  
Nothing's missing ( **G#** )  
Yeah  
(Solo sobre a harmônia da introdução)

( **E F#** )  
Oh oh oh oh  
Oh when it's love  
Oh oh oh oh  
You can feel it, yeah  
Oh oh oh oh  
Nothing's missing ( **G#** )  
Yeah

(Solo)

How do I know when it's love  
I can't tell you but it lasts forever  
How does it feel when it's love  
It's just something you feel together  
How do I know when it's love  
I can't tell you but it lasts forever  
When it's love

(introdução teclado) ( **C# G# C# F#** )

Uh ! When it's love

( **C# G# C# F#** )

Hey

It'll last forever (vocalização de fundo na na na na na!)

When it's love

You and I

We're gonna feel this thing together

When it's love

When it's love

You can feel it

We'll make it last forever

When it's love

final ( **B C#** )
