Verse 1:

F#

Well, I heard the bells ringing,

Bbm

Bmaj7

I was thinking about winning, in this God forsaken place.

F#

When my confidence was well,

Bbm

Bmaj7

Then I tripped and I fell, right flat on my face.

F#

Now I m standing erect,

Bbm

Bmaj7

And I feel like coming back and the sun is shining gold.

F#

Put a smile on my face,

Bbm

Bmaj7

Get back in the human race and get on with the show.

Bridge 1:

C#

Bmaj7

And I m taking in the Indian Summer,

C#

And I m soaking it up in my mind.

And I m pre-tending, that it s para-dise...

F#

In the wee midnight hour,

Bbm

Bmaj7

I was parking my car, in this dimly lit town.

F#

I was at-tacked by two thugs,

Bbm

Bmaj7

Who took me for a mug and shoved me down on the ground.

F#

And they pulled out a knife,

Bbm

Bmaj7

And I fought my way up as they scarpered from the scene.

F#

Well, this is no New York street,

Bbm

Bmaj7

And there s no Bobby on the beat and things ain t just what they seem.

Bridge 2:

C#

Verse 3:

F#

Who would think this could happen,

Bbm

Bmaj7

In a city like this, among Blake s green and pleasant hills?

F#

And we must remember,

Bbm

Bmaj7

As we go through September, among these dark satanic mills.

F#

If there s such a thing as justice,

Bbm

Bmaj7

I could take them out and flog them, in the nearest green field.

F#

And it might be a lesson,

Bbm

Bmaj7

To the bleeders of the system, in this whole society.

Bridge 3:

C#
