Dweller On The Threshold
Van Morrison

```
----------------------------------------------------------------------
                             DWELLER ON THE THRESHOLD - Van Morrison
----------------------------------------------------------------------
```

Tabbed by: Gavjones

Tuning: Standard

This is the tab of the version on the Best of Van Morrison album, you can
figure out the strumming from the track. I think it sounds nicer with
the G as a barre chord but it doesnt make a lot of difference.

```
       E A D G B E

G      3-2-0-0-0-3
D      0-0-0-2-3-2
C      3-3-2-0-1-0
Em     0-2-2-0-0-0
```

Intro

G D (1 x strum each)
C G

Verse

```
                        C                          G
I m a dweller on the threshold And I m waiting at the door
                              C                          G
And I m standing in the darkness I don t want to wait no more
                          Em  C                        G
I have seen without perceiving    I have been another man
                        Em  C                          G
Let me pierce the realm of glamour   So I know just what I am

                        C                          G
I m a dweller on the threshold And I m waiting at the door
                          C                          G
And I m standing in the darkness  I don t want to wait no more
                      Em  C                          G
Feel the Angel of the Presence    In the mighty crystal fire
                      Em  C                          G
Lift me up consume my darkness    Let me travel even higher

                          Em  C                        G
I m a dweller on the threshold    As I cross the burning ground
                        Em  C                          G
Let me go down to the water   Watch the great illusion drown
```

```
                                  C                                  G
I m a dweller on the threshold And I m waiting at the door
                                      C                            G
And I m standing in the darkness I don t want to wait no more

Instrumental part

C G Em G Em C G Em C G

                                      Em   C                          G
I m gonna turn and face the music       The music of the spheres
                                    Em   C                            G
Lift me up consume my darkness      When the midnight disappears
                                  Em   C                              G
I will walk out of the darkness       And I ll walk into the light
                                  Em   C                              G
And I ll sing the song of ages       And the dawn will end the night

                                  C                                  G
I m a dweller on the threshold And I m waiting at the door
                                      C                            G
And I m standing in the darkness I don t want to wait no more
                                  C                                  G
I m a dweller on the threshold And I cross some burning ground
                                  C                                  G
And I ll go down to the water Let the great illusion drown
                                  C                                  G
I m a dweller on the threshold And I m waiting at the door
                                      C                            G
And I m standing in the darkness I don t want to wait no more
                                  C                            G
I m a dweller on the threshold  Dweller on the threshold
                                  C
I m a dweller on the threshold
