

**Everyone**

**Van Morrison**

[Verse 1]

**F C G C C7**

We shall walk again

**F C G C C7**

along down the lane

**F C G C Am**

Down the avenue

**F C G C C7**

just like we used to do

**F C G C C7**

With our heads so high,

**F C G C C7**

smile at the passers by

**F C G C Am**

Then we ll softly sigh

**F C G C C7**

ay, ay, ay, ay, ay

[Chorus]

**F C G C**

Everyone, everyone, everyone, everyone

**F C G C**

Everyone, everyone, everyone, everyone

**F C G C C7**

By the winding stream

**F C G C C7**

we shall lie and dream

**F C G C Am**

We ll make dreams come true

**F C G C C7**

if we want them to

**F C G C C7**

Yes, all will come

**F C G C Am**

play the pipes and drum

**F C G C Am**

Sing a happy song

**F C G C C7**

and we ll sing along

[Chorus]

**F C G C**

Everyone, everyone, everyone, everyone

**F C G C**

Everyone, everyone, everyone, everyone

[Verse 3]

**F C G C C7**

We shall walk again

**F C G C C7**

along down the lane

**F C G C Am**

Down the avenue

**F C G C C7**

just like we used to do

**F C G C C7**

With our heads so high,

**F C G C C7**

smile at the passers by

**F C G C Am**

Then we ll softly sigh

**F C G C C7**

ay, ay, ay, ay, ay
