Wonder what is wrong with me.

And simply let them be.

He s turning down the lights,
And now he s holdin her,
The way I used to do.

And tellin him lies,
Exactly like she told me too.
Yeah-e yeah-e yeah-e well here it comes,

Chorus

Here comes the night,
The long the long the lonely night,
Nigh nigh nigh nigh nigh night,

Whoa, here comes the night,
The long the long the long the lonely night
Night night night night...
Whoa, here comes the night (fade)
