

In The Forest
Van Morrison

In the Forest:

(intro) **F#m A**

(repeat) **E**

(Whole song) **F#m E D Bm7 A**

By the sacred grove, where the waters flow
We will come and go, in the forest

In the summer rain, we will meet again
We will learn the code of the ancient ones
In the forest

By the waterfall, I will hold you in my arms
We will meet again by the leafy glade
In the shade of the forest

With your long robes on, we will surely roam
By the ancient roads, I will take you home
To the forest

In the forest, in the forest
In the forest, in the forest

With your long robes on, we will surely roam
By the ancient roads, I will take you home again
To the forest

Satisfy the soul baby
Birds sing all day long of the mother lode
We can let it roll, in the forest

With your long robes on
I know where you re coming from
By the big oak tree you ve gotta come and go with me

In the forest, in the forest
In the forest, in the forest

By the waterfall
I will hold you in my arms, and we will meet again
By the leafy shade, in the, in the forest

Satisfy the soul
Birds sing all day long of the mother lode

We can surely let it roll, in the forest

With your long robes on

I know where you re coming from

We will surely roam, down by the ancient roads
