For the lion For the lion For the lion For the lion... Inside of me Oh, oh, yeah And all my tears have flown All my tears like water flown And all my tears like water flown All my tears like-a water flown

For the lion

For the lion For the lion For the lion... Inside of me (growling, scatting, etc.) Listen to the lion (repeated 14 times) (more scatting) And we sailed, and we sailed... And we sailed, and we sailed... And we sailed, and we sailed... ... sailed to Caledonia And we sailed, and we sailed, And we sailed, and we sailed, and we sailed... Away from Denmark Way up to Caledonia Away from Denmark Way up to Caledonia And we sailed, and we sailed, and we sailed... All around the World And we sailed..., and we sailed..., and we sailed... Looking for a brand new start And we sailed... And we sailed, and we sailed... All around the World ... a brand new start Looking for a brand new start Looking for a brand new start Looking for a brand new start And we sailed, and we sailed, and we sailed... And we sailed... Away from the Golden Gate Way up to the New York City
