Inside of me oh, oh, oh

And I shall search my soul
I shall search my very soul
And I shall search my very soul
I shall search my very so-o-oul

For the lion
For the lion
For the lion
For the lion...
Inside of me
Oh, oh, yeah

And all my tears have flown
All my tears like water flown
And all my tears like water flown
All my tears like-a water flown

For the lion

For the lion
For the lion
For the lion...
Inside of me

(growling, scattling, etc.)

Listen to the lion (repeated 14 times)

(more scattling)

And we sailed, and we sailed...
And we sailed, and we sailed...
And we sailed, and we sailed...
... sailed to Caledonia

And we sailed, and we sailed,
And we sailed, and we sailed, and we sailed...
Away from Denmark
Way up to Caledonia
Away from Denmark
Way up to Caledonia

And we sailed, and we sailed, and we sailed...
All around the World
And we sailed..., and we sailed..., and we sailed...
Looking for a brand new start

And we sailed...
And we sailed, and we sailed...
All around the World
... a brand new start

Looking for a brand new start
Looking for a brand new start
Looking for a brand new start

And we sailed, and we sailed, and we sailed...
And we sailed...
Away from the Golden Gate
Way up to the New York City
