Verse 1:

```
G           D  
Fill me my cup  
G           C  
And I ll drink your sparkling wine

Pretending everything is fine  
           G           D  
Till I see your sad eyes  
G           D  
Throw me a kiss  
G           C  
Across a crowded room

Some sunny wind-swept afternoon  
Is none too soon for me to miss  
  G           G  
My sad eyes

```
C  
Whoa not bad eyes

Or glad eyes, but you my sad eyes

Fortunate and free  
And there go you and I

Between the other sky  
But who are you and I  
To wonder why we do so?  
My sad eyes  
Lonely

Oh what a story  
The moon and all it s glory
