

Redwood Tree
Van Morrison

[Intro]

Bm F#m G F#m G A D

[Verse 1]

D A G# G

Boy and his dog

G D

Went out looking for the rainbow

Bm F#m Em F#m G

You know what did they learn

G A

Since that very day

D A G# G

Walking by the river

G D

And running like a blue streak

Bm F#m Em F#m G

Through the fields of streams and meadows

G A

Laughing all the way

[Chorus 1]

D A G# G

Oh redwood tree

G D

Please let us under

Bm F#m Em F#m G

When we were young we used to go

A D

Under the redwood tree

D A G# G

And it smells like rain

G D

Maybe even thunder

Bm F#m Em F#m G

Won't you keep us from all harm

A D

Wonderful redwood tree

[Verse 2]

D A G# G

And a boy and his father

G D

Went out, went out looking for the lost dog

Bm F#m Em F#m G
You know what oh haven't they learned
G A
Since they did that together
D A G# G
They did not bring him back
G D
He already had departed
Bm F#m Em F#m G
But look at everything they have learned
G A
Since that, since that very day

[Chorus 2]

D A G# G
Oh redwood tree
G D
Please let us under
Bm F#m Em F#m G
When we were young we used to go
A D
Under the redwood tree
D A G# G
And it smells like rain
G D
Maybe even thunder
Bm F#m Em F#m G
Won't you keep us from all harm
A D
Wonderful redwood tree

Ta da da da...
