Oh redwood tree

And it smells like rain

Maybe even thunder

Am Em Dm Em F

Won't you keep us from all harm

Wonderful redwood tree

[Verse 2]

And a boy and his father

Went out, went out looking for the lost dog

Am **Em** **Dm** **Em** **F**
You know what oh haven't they learned

They did not bring him back

But look at everything they have learned

Since that, since that very day

[Chorus 2]

C **G** **F#** **F**
Oh redwood tree
F **C**
Please let us under
Am **Em** **Dm** **Em** **F**
When we were young we used to go

Under the redwood tree
C **G** **F#** **F**
And it smells like rain
F **C**
Maybe even thunder
Am **Em** **Dm** **Em** **F**
Won't you keep us from all harm
G **C**
Wonderful redwood tree
