[Intro]

Bbm Fm F# Fm F# G# C#

[Verse 1]

C# G# G F#

Boy and his dog

F# C#

Went out looking for the rainbow

Bbm Fm Ebm Fm F#

You know what did they learn

F# G#

Since that very day

C# G# G F#

Walking by the river

F# C#

And running like a blue streak

Bbm Fm Ebm Fm F#

Through the fields of streams and meadows

F# G#

Laughing all the way

[Chorus 1]

C# G# G F#

Oh redwood tree

F# C#

Please let us under

Bbm Fm Ebm Fm F#

When we were young we used to go

G# C#

Under the redwood tree

C# G# G F#

And it smells like rain

F# C#

Maybe even thunder

Bbm Fm Ebm Fm F#

Won't you keep us from all harm

G# C#

Wonderful redwood tree

[Verse 2]

C# G# G F#

And a boy and his father

F# C#

Went out, went out looking for the lost dog

Bbm Fm Ebm Fm F#
You know what oh haven't they learned
F# G#
Since they did that together
C# G# G F#
They did not bring him back
F# C#
He already had departed
Bbm Fm Ebm Fm F#
But look at everything they have learned
F# G#
Since that, since that very day

[Chorus 2]

C# G# G F#
Oh redwood tree
F# C#
Please let us under
Bbm Fm Ebm Fm F#
When we were young we used to go
G# C#
Under the redwood tree
C# G# G F#
And it smells like rain
F# C#
Maybe even thunder
Bbm Fm Ebm Fm F#
Won't you keep us from all harm
G# C#
Wonderful redwood tree
