You know what did they learn

Since that very day
C#   G#   G F#
Walking by the river
F#   C#
And running like a blue streak
Bbm   Fm   Ebm   Fm   F#
Through the fields of streams and meadows
F#   G#
Laughing all the way

C#   G#   G F#
Oh redwood tree
F#   C#
Please let us under
Bbm   Fm   Ebm Fm F#
When we were young we used to go
G#   C#
Under the redwood tree
C#   G#   G F#
And it smells like rain
F#   C#
Maybe even thunder
Bbm   Fm   Ebm Fm F#
Won t you keep us from all harm
G#   C#
Wonderful redwood tree

[Verse 2]
C#   G#   G F#
And a boy and his father

Went out, went out looking for the lost dog

Bbm   Fm   Ebm   Fm   F#
You know what oh haven t they learned

Since they did that together
C#   G#   G F#
They did not bring him back

He already had departed
Bbm   Fm   Ebm   Fm   F#
But look at everything they have learned
F#   G#
Since that, since that very day

[Chorus 2]
C#   G#   G F#
Oh redwood tree
F#   C#
Please let us under
Bbm   Fm   Ebm Fm F#
When we were young we used to go
G#   C#
Under the redwood tree
C#   G#   G F#
And it smells like rain
F#   C#
Maybe even thunder
Bbm   Fm   Ebm Fm F#
Won t you keep us from all harm
G#   C#
Wonderful redwood tree
