Boy and his dog

Went out looking for the rainbow

You know what did they learn

A B

Since that very day

E B Bb A

Walking by the river

A E

And running like a blue streak

C#m G#m F#m G#m A

Through the fields of streams and meadows

A B

Laughing all the way

[Chorus 1]

E B Bb A

Oh redwood tree

A E

Please let us under

C#m G#m F#m G#m A

When we were young we used to go

B E

Under the redwood tree

E B Bb A

And it smells like rain

A E

Maybe even thunder

C#m G#m F#m G#m A

Won't you keep us from all harm

B E

Wonderful redwood tree

[Verse 2]

E B Bb A

And a boy and his father

A E

Went out, went out looking for the lost dog

C#m G#m F#m G#m A
 You know what oh haven't they learned
A B
 Since they did that together
E B Bb A
 They did not bring him back
A E
 He already had departed
C#m G#m F#m G#m A
 But look at everything they have learned
A B
 Since that, since that very day

[Chorus 2]

E B Bb A
 Oh redwood tree
A E
 Please let us under
C#m G#m F#m G#m A
 When we were young we used to go
B E
 Under the redwood tree
E B Bb A
 And it smells like rain
A E
 Maybe even thunder
C#m G#m F#m G#m A
 Won't you keep us from all harm
B E
 Wonderful redwood tree
