

Reminds Me Of You
Van Morrison

[Intro]

G Bm C, G D C, G

[Verse 1]

I miss you so much I can't stand it,
Seems like my heart is breaking in two.
My head says no, but my soul demands it,
Everything I do reminds me of you.

[Verse 2]

I miss you so much, in this house full of shadows,
While the rain keeps pouring down my window, too.
When will the pain recede to the darkness,
From whence it has come? And I'm feeling so blue.

[Bridge 1]

Ain't goin' down no more to the well,
Sometimes it feels like I'm going to hell.
Sometimes I'm knocking on your front door,
But I don't have nothing to sell, no more.

[Verse 3]

Seems like the spirit is pushing me onwards,
I'm able to see where I tripped and went wrong.
I'll just have to guess where my soul will find comfort.
And I miss you so much, when I'm singing my song.

[Solo]

G Bm C, G Bm D
G Bm C, G D C, G

[Bridge 2]

Ain t goin down no more to the well,
Sometimes it feels like I m going to hell.
Sometimes I m knocking on your front door,
But I don t have nothing to sell, no more.

[Verse 4]

Seems like the spirit is pushing me onwards,
I m able to see where I tripped and went wrong.
I ll just have to guess where my soul will find comfort.
And I miss you so much, when I m singing my song.

[Verse 5]

I miss you so much I can t stand it,
Seems like my heart is breaking in two.
My head says no, but my soul de-mands it,
Everything I do re-minds me of you.
Everything I do re-minds me of you,
Everything I do re-minds me of you.
