THE WAY YOUNG LOVERS DO- Van Morrison

Am

We strolled through fields all wet with rain

And back along the lane again

Dm

Am

There in the sunshine, in the sweet summertime

E

Am

The way that young lovers do

I kissed you on the lips once more

And we said goodbye at your front door

In the nighttime, yeah that s the right time

To feel the way that young lovers do

CHORUS:

C

G

Then we sat on our own star and dreamed

C

F

E

Of the way that we were and the way that we wanted to be

C

G

Then we sat on our own star and dreamed

C

F

E

Of the way that I was for you and you were for me

And then we danced the night away

And turn into each other and say

I love you, I love you

The way that young lovers do

CHORUS, LAST VERSE

Lovers do, lovers do, doot doot do-be-do

NOTE: I believe I transposed keys to make it easier to sing, but I
