Alone With Me
Vance Joy

[Intro] **D#m   E   C#m**
         D#m   E   C#m

[Primeira Parte]

D#m   E
I saw you smile
                C#m
I knew you had spirit
D#m   E   C#m
Oh won t you let your colors run
              D#m   **E**   **C#m**
And isn t it odd, the way we try to tell ourselves we got limits
D#m   E   C#m
You re beautiful, but you just don t see it sometimes
                     A
And I don t know why

[Pré-Refrão]

  E   **F#   A**
Oh, you re the shape of my days
A E   **F# A**
Oh, you re my holy place
And I know

[Refrão]

C#m
Everything s good
A   **E**
Everything s just as it should be
                  B
When you re alone with me
C#m
Everything s good
A   **E**
Everything s just as it should be
                   B
When you re alone with me
      C#m   **A**
When I fall, I m fine
          E   **B**
All I wanted was your time
C#m
Everything s good
A   **E**

Everything s just as it should be
```
             B
```
When you re alone, alone with me

(**D#m   E   C#m**)

[Segunda Parte]

```
D#m                   E                   C#m
```
I ll sit right here, till you start talking
```
D#m              E              C#m
```
I ll wait it out till you come round
```
                  D#m               E
```
It pays to look up in the big city
```
                       C#m
```
Everything moves so fast
```
              D#m
```
It pays to look up
```
                      E                 C#m
```
 Cause you don t know what you might see
```
                  A
```
When you look around

[Pré-Refrão]

```
 E                         F# A
```
Oh, you re the shape of my days
```
A E              F# A
```
Oh, you re my holy place
And I know

[Refrão]

```
C#m
```
Everything s good
```
A                           E
```
Everything s just as it should be
```
            B
```
When you re alone with me
```
C#m
```
Everything s good
```
A                           E
```
Everything s just as it should be
```
              B
```
When we re alone

[Ponte]

```
      B   C#m              A
```
Here I am, saying things to you
```
   E                 B    C#m          A
```
I never thought that I d I would say outside my head
```
 E              B
```

Oh, and here we are
```
     C#m                    A      E                    B
```
I m doing things with you I never thought we d do
```
     C#m           A
```
I m seeing into you

[Pré-Refrão]

```
A E                        F#   A
```
Oh, you re the shape of all my days
```
A E              F#     A
```
Oh, you re my holy place

And I know

```
( C#m   A   E   A# )
( C#m   A   E   A# )
```

[Refrão]

```
C#m
```
Everything s good
```
A                              E
```
Everything s just as it should be
```
             A#
```
When you re alone with me
```
C#m
```
Everything s good
```
A                              E
```
Everything s just as it should be
```
              B
```
When you re alone with me
```
        C#m           A
```
When I fall, I m fine
```
           E           B
```
All I wanted was your time
```
C#m
```
Everything s good
```
A                                E
```
Everything s just as it should be
```
           A#                 C#m
```
When you re alone, alone with me
```
A                   E          B
```
You re alone with me, babe
```
                  C#m
```
You re alone with me
```
A                     E         B
```
You re alone with me, babe
```
                  C#m
```
You re alone with me
```
A                     E      A#
```
You re alone with me, babe
```
                  C#m
```

```
You re alone with me
A                   E       B
You re alone with me, babe
                D#m E C#m
You re alone with me

A                           E       B
You re alone with me, babe
                D#m E C#m
You re alone with me
```
