

Best That I Can
Vance Joy

B C#m E
Say I don't look much like a lover

Doesn't mean that I won't try

B C#m E
Set your world on fire every once in awhile

B C#m E
We lie on the kitchen floor

B C#m
Hot air rises and it's going to be hot as hell here soon
E

We are going to need some relief

B C#m E
Sick of leaving thing half done leaving things half said

B C#m E
Sick of leaving things half done leaving things half said

Ohh

B C#m E
I am I am trying

B
the best that I can

C#m E
I am I am trying

B C#m E
You can keep moving on like you do

The road goes as far as the eyes can see

B C#m
I won't stand in your way
E

What's the good in that

B C#m
And the flowers in their bed

E E C#m
Their drooping and dying and fading away
E

This weather's no good for growing things

B C#m E
Sick of leaving thing half done leaving things half said

B C#m E
Sick of leaving things half done leaving things half said

Ohh

B C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can

C#m E
B C#m E

B C#m E
Will you keep moving on like you do

Will you keep moving on
B C#m E
So will you keep moving you on like you do

Ohh

B C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can

C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can
