

Best That I Can
Vance Joy

B **C#m** **E**
Say I don't look much like a lover

Doesn't mean that I won't try

B **C#m** **E**
Set your world on fire every once in awhile

B **C#m** **E**
We lie on the kitchen floor

B **C#m**
Hot air rises and it's going to be hot as hell here soon
E

We are going to need some relief

B **C#m** **E**
Sick of leaving things half done leaving things half said

B **C#m** **E**
Sick of leaving things half done leaving things half said

Ohh

B **C#m** **E**
I am I am trying

B
the best that I can

C#m **E**
I am I am trying

B **C#m** **E**
You can keep moving on like you do

The road goes as far as the eyes can see

B **C#m**
I won't stand in your way

E
What's the good in that

B **C#m**
And the flowers in their bed

E **E** **C#m**
Their drooping and dying and fading away

E
This weather's no good for growing things

B **C#m** **E**
Sick of leaving things half done leaving things half said

B **C#m** **E**
Sick of leaving things half done leaving things half said

Ohh

B C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can

C#m E
B C#m E

B C#m E
Will you keep moving on like you do

Will you keep moving on

B C#m E
So will you keep moving you on like you do

Ohh

B C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can

C#m E
I am I am trying
B
the best that I can
C#m E
I am I am trying
B
the best that I can
