Cool Kids / Riptide (Medley)
Vance Joy
Am
Lady, running down to the riptide
Taken away to the dark side
               C
I wanna be your left hand man
              Em
She sees them walking in a straight line, that s not really her style
And they all got the same heartbeat, but hers is falling behind
Em
Nothing in this world could ever bring them down
Yeah they re invincible and she s just in the background

Am
Ooh, ooh ooh
Ooh, and they come unstuck
Lady, running down to the riptide
Taken away to the dark side
I wanna be your left hand man
            G
I love you when you re singing that song and
I got a lump in my throat cause
You re gonna sing the words wrong
I was scared of dentists and the dark
I was scared of pretty girls and starting conversations
Oh all my friends are turning green
You re the magicians assistant in their dreams
And she says
                     Cmaj7
 I wish that i could be like the cool kids
```
