First Time
Vance Joy

Verso:

```
      Am                        G
Come over to my house, jump in the neighbour s pool
          C
That felt nice, it felt so nice
     Am                          G
And it was getting dark, you wrapped your long legs
       C
Around me, I held on tight
Am                    G
Lying in my bed, the unfamiliar sheets
         C
Were so cool, on your skin
Am                          G
When your daddy called, said you were at a friends
        C
And we walked, the long way home
```

Pré-Refrão:

```
Am                               G
Going on my first impression, I recall you wearing white
C
There was something sweet in the air, babe, that summer night
Am                        G
There will always be another time for us to fall in love,
C
But it never cut you quite as deep,...
```

Refrão:

```
         Am                 G
As that first time, ouououh
C
You ll find out that the deepest cut is the
Am                  G
First time, ouououh
C
First time is always cut the deepest
```

Verse:

```
Am                               G
Bring me with your hands, show me a safe place
          C
And I ll calm down, yeah I ll calm down
```

```
      Am                             G
And can you recognize, the look upon my face
       C
Is on my lips, is in my eyes
       Am                               G
This bar will never break, won t you say it one more time
         C
Won t you say my name, won t you say my name
        Am                              G
This bar will never break, won t you say it one more time
           C
Won t you say, say my name
```
