

Lay It On Me
Vance Joy

Am **G/B C**
I m so gone
F **G**
Anyone could see that I m wasted
Am **G/B C**
You cut through
F **G**
And I just wanna know what s in your head

Am **G/B C** **F** **G**
Write it on a piece of paper, honey
Am **G/B C** **F** **G**
Put it in my coat before I go
Am **G/B C** **F** **G**
Hidden in a place you know I ll find it
Am **G/B C** **F** **G**
Later when I m sitting all alone

Am F G
Let me in
Am F G
Everything starts at your skin, so new
Am F
Your love s always finding me ou-out
G
Who am I kidding?
Am F G
If all my defences come down, oh baby
Am G/B C
Will you lay it all on me now?
