Am	C	G	
I	was	only	ten years old
Am	C	G	
Like	the	back	of my hand knew the roads
Am	C	G	D/F#
I	swerved	my bike	and lost control, over the handles in the air
Am	C	G	D/F#
A	lady	who	came walking by found me lying there
And	the	nurse	at the hospital said

[Refrão]

Em	Am	
Little	boy,	don t be scared
G	C	
Now	your	father is waiting in the next room
Em	Am	
Little	boy,	don t be sad
G	C	D/F#
Now	your	mom s on her way, you ll be out of here soon, hmm-mmmm
Am	C	G D/F#
Mmmm	hmm,	hmmm
Am	C	G D/F#
Mmmm	hmm	

Am	C	G	D/F#
We	drove	so	slowly through these streets
Am	C	G	D/F#
In	the	suburbs	of our dreams, hmmm

Am C G D/F#
At night my father closed his eyes, he saw the new car in the drive
Am C G D/F#
My mother standing in the doorway, friday night, a smile on her face
And the voice I can hear in my head

[Refrão]

Em Am
Little boy, don t be scared
G C
Now you know we ll be sleeping in the next room
Em Am
Little boy, don t be sad
G C D/F#
Now tomorrow is as it is coming round soon, hmm-mmmm
Am C G D/F#
Mmmmm hmm, hmmm
Am C G D/F#
Mmmmm hmm

[Ponte]

Am C
We only need a little space
G D/F#
Just somewhere we could call our place
Am C
My mother standing in the doorway
G D/F#
Friday night, a smile on her face

Am C
These things always start so small
G D/F#
With no applause and no drum roll
Am C
And I came running up the hallway
G D/F#
See the car turn in the driveway, hmm hmmm

Em C G
Mmmmm hmm
D/F# Em C G
And I ll always be that little boy
D/F# Em C G
And I ve always been that little boy
D/F# Em C G
Yeah, I ll always be that little boy
D/F# Em C G
And I ll always be that little boy
