Killing Me To Love You Vancouver Sleep Clinic

```
Verse 1:
                  C#m
   Your body is broken but you re trying to fight this
Α
   Your arms are weary but you re trying to hide this
Verse 2:
                   C#m
    Α
   Aaaaaah, I 11 bring you home, it s been so long
                   C#m
   Aaaaaah, we re fighting alone, back to where we belong
Chorus:
                 F#m
E
                         D
   It s growing faster than you ve grown
                 F#m
                         D
   Now you re stronger than yourself
                     F#m
   I m fighting for you
   I m hiding for you
            N.C.
   But it s killing me to love you
            F#m

                          Α
   But it s killing me to love you
             F#m
Ε
   But it s killing me to love you
Verse 3:
               C#m
   You lost it all and now you ve been left open
                             C#m
Α
   And you were starting to heal but you ve been tearing apart this
Chorus:
                          F#m
                                  D
   Aaaaaah, it s growing faster than you ve grown
                 F#m
                         D
   Now you re stronger than yourself
                     F#m
   I m fighting for you
   I m hiding for you
