Chords A 577655 C#m 446654 G 355433 Bm 224432 D 557775 E 779997

Intro(and verses) **A C#m G Bm**

V1

**A** **C#m**  
Never thought that you d be mine

**G**  
I Just think that you were kind

They say that you re leaving me

**Bm** **A**  
Well I don t really care I ve got other things on my mind.

**C#m**  
And when you tell me to just get out

**G**  
Well this isn t just your house

**Bm**  
Well I thought I told you

I guess you didn t listen baby

**A** **C#m**  
Now that I m looking for your time

**G**  
Just to see if I m on your mind

I think we re really over now

**Bm**  
I saw your girlfriend seems to be fine

CHORUS

**D** **E** **D**  
Now that we are through, I feel like I want you

**E** **D** **E**  
I try to get you back but you don t need me.

**A** **D** **E** **D** **E**

Baby, what you thinkin now baby (whoaa)  
**A D E D E**  
Baby, have a look, have a look, look at me  
**A D E D E**  
Baby, what you thinkin now baby (whoaa)  
D (E-string 10 9 7 5)  
Baby I took a change, now baby(4x)

V2

**A C#m**  
I, I know that I ve done something wrong  
**G**  
I never left cause I wasn t strong  
**Bm A**  
Now that we re over I don t think that I could even go on.  
**C#m**  
Well I ve changed my naughty ways  
**G**  
Well I m telling you I ve changed  
**Bm**  
Just come back and stop the crap work it out with me

Chorus

**A Bm**  
(Spoken) I changed my mind. I really changed everything I had.  
**A Bm**  
I m even walking towards you now and you won t look at me.

Bridge

**G Bm A A**  
I feel really used up, yeah you aint even mad about it  
**G Bm A A**  
I changed everything for you, only for you  
**G Bm A G A**  
You won t even look at look at me whoaa yeah look at me yeah

V3

**A C#m**  
I know you told your friends I m a bitch  
**G**  
And when we were together I didn t care less  
**Bm A**  
But now that we re over I m trying hard to make you see I exist  
**C#m G**  
Well that s a fact, I need you I want you back

**Bm**

Just change your mind and we ll be fine work it out with me.

Chorus

Baby, what you thinkin now baby (whoa)

baby, have a look, have a look

look at me baby
