

**Amazing**

**Vanessa Amorosi**

Amazing

Vanessa Amorosi

**E**

Come to the limelight

**B A**

You can let go of me

**E B A**

Let yourself feel the chemistry

**E**

Music s changing

**B A**

The beat is getting loud

**E B A**

I feel the rising heat from the crowd

**A C#m B A**

I I I I took a step back

**C#m B A**

I I I I never seen you like that

**B7**

You re so bright

**E G#m**

You look amazing from right here

**C#m A**

Up there in the atmosphere

**E G#m**

Shining like a super star

**C#m A**

Come down and take me to where you are

**C#m**

So we ll be right there, right there

**B**

Together we ll be right there, right there

**A**

We ll be right there

**E**

So amazing

**E**

Baby don t worry

**B A**

It s ok to lose yourself

**E B A**

We re all lost in here and don t need help

**E** **B** **A**  
Everybody s rushing, everybodys loving life

**E** **B** **A**  
And don t you wanna feel, feel alive

**A** **C#m** **B** **A**  
I I I I took a step back  
**C#m** **B** **A**  
I I I I never seen you like that

**B7**  
You re so bright  
**E** **G#m**

You look amazing from right here  
**C#m** **A**

Up there in the atmosphere  
**E** **G#m**

Shining like a super star  
**C#m** **A**

Come down and take me to where you are  
**C#m**

So we ll be right there, right there  
**B**

Together we ll be right there, right there  
**A**

We ll be right there  
**E**

So Amazing  
**C#m**

Your so amazing  
**A**

Take me right there  
**A**

I I I I  
**F#** **A#m**

You look amazing  
**D#m** **B**

Up there in the atmosphere  
**F#** **A#m**

Shining like a super star  
**D#m** **B**

Come down and take me to where you are  
**D#m**

So well be right there right there  
**C#**

Together well be right there right there  
**B**

We ll be right there  
**F#**

So Amazing
