VERSE

G **D**
It s 4 am and I m wide awake

waiting for my thoughts to fade

a flickering of all of my mistakes
G **D**
and as the light starts creeping in
Em7
I slowly feel

the day I m missing

but I won t even know where to begin

CHORUS

Bm
do I push too hard
D
I fall too fast
Em **D**
a moment never seems to last

A **G**
I feel it in my veins
D **A**
I just cant walk away, this time.

VERSE

your words circle in my head
Em7 **D**
and weigh so heavy on my chest

I only want to do some good
Em7 **Bm**
to dumb to know if i could
G **D** **A**

A **G**
who am I to pretend?
G **D** **A**
this is more than I can carry
