i was stained by a role in the day not my own

am/e f dm7 am/e

but as you walked into my life, you showed what need-ed to be shown

and i always knew what was right i just didn t know that i might

peel away and coose to see such a different sight.

chorus 1:

C G Am G

and i will never see the sky the same way and

i will learn to say good bye to yesterday and I

will never cease to fly if held down and

i will always reach too high cause i ve seen

f2 gsus

cause i ve seen

esus f

twilight

(3 bar break):

dm7 em esus f dm7 am/e

2 verse: chords are the same as first verse

never cared, never wanted,

never sought to see what flaunted.

so on purpose, so in my face,

couldn t see beyond my own place.

it was so easy not to behold what i could hold.

but you taught me i could change

whatever came within these shallow days.

chorus 2:

C G Am G

and i will never see the sky the same way and

i will learn to say good bye to yesterday and I

will never cease to fly if held down and

i will always reach too high cause i ve seen

f2 gsus

cause i ve seen.....

bridge:

am g
as the sun__ shines through
fmaj7 g am
it pushes away and pushes ahead
it fills the warmth of blue and leaves a chill instead
and i didn t know that i could be so blind to all that is so real
but as illusion dies, i see there is so much to be revealed
