

Let Go

Vanessa Hudgens

Cm **Fm** **Gm**
The day s been long, I just got home
Cm
And work is driving me crazy
Cm **Fm** **Gm**
I could do up, I could go out
Cm
But I m feelin too lazy
Cm **Fm** **Gm**
I wanna run, I wanna have fun
Cm
But I don t wanna work it
Ab **Gm** **C**
All I wanna do is go and kick it with my crew tonight

Chorus:

Cm **Fm**
All I wanna do is let go tonight
Gm
Feelin right
Cm
Just wanna forget about it
Cm **Fm**
All I wanna do is let go tonight
Gm **Cm**
Wind it up without my game on
Cm **Fm**
All I wanna do is let go tonight
Gm
Move around tonight
Cm
Don t really care about it
Ab **Gm** **C**
All I wanna do is go and kick it with my crew tonight

Cm **Fm** **Gm**
I count on you, you re coming too
Cm
Yeah, I m hoping you feel it
Cm **Fm** **Gm**
Cuz at my best and at my worst
Cm
Yeah, you ve already seen it
Cm **Fm** **Gm**
Let down your hair, the hell, who cares?
Cm
Gonna let it all out

All I wanna do is go and kick it with my crew tonight

High heels, just feels

Gm **Cm**
Like a business stance, makes it hard to dance

Cm **Fm**
Tight shirt, short skirt

Gm **Cm**
Just hurt, too much work

Cm **Fm**
A fake-up of make-up

Gm **Cm**
Never handled the wet, cuz I wanna sweat

Ab **Gm** **C**
All I wanna do is go and kick it with my crew tonight

Chorus:

Cm **Fm**
All I wanna do is let go tonight

Gm
Feelin right

Cm
