{REPEAT THE CHORDS FROM THE ABOVE}

When you call I don t know if I should pick up the phone every time

I m not like all my friends who keep calling up the boys, I m so shy

But I don t wanna be into you

If you don t treat me the right way

See I can only start seeing you

If you can make my heart feel safe (feel safe)

When it s not alright

When it s not ok

Will you try to make me feel better?

Will you say alright? (say alright)

Will you say ok? (Say ok)

Will you stick with me through whatever?

Or run away

(Say that it s gonna be alright. That it s gonna be ok

Don t run away, don t run away)
